MESSAGE FROM THE PRESIDENT OF WORLD SIVA

Dear Colleagues

Just over a few days have passed since the Timisoara meeting. The success of the meeting exceeded all our expectations and I think we can truly consider this to have been an exceptional congress, with more than 1300 participants.

It is an honour and a great pleasure for me to invite and welcome you to the next 6th World Congress of Intravenous Anaesthesia and Target Controlled Infusion, that will be held in Kuala Lumpur - Malaysia, from the 15th to 18th of August 2018.

I am sure you are aware that the scientific society ,World SIVA, was constituted by the Faculty of the Congress during the meeting in Venice, on 29th September 2007, which acted as the voting Assembling. The coming together of a non profit scientific society can only but enhance the future of TIVA-TCI. The Board of Directors reflects the international aspect of the Society, confirming the scientific collaboration we encourage. I am confident that they will continue to make outstanding contributions to our Scientific Society also in this important meeting in collaboration with the Malaysian Society of Anaesthesiologists, the College of Anaesthesiologists and the Academy of Medicine of Malaysia.

During the Congress we will explore the scientific application of anaesthesia, intensive care management, looking ahead and highlighting how best we can apply these techniques in the future. We have an excellent, broad-based Scientific Programme Committee. The SPC is working on an attractive and ambitious programme, which will cover all the different multi-disciplinary aspects of research and medical practice in our field. Refresher Courses, Plenary Lectures, workshops and poster presentations will both encourage interaction and inspire exchange between participants.

A comprehensive Industrial Exhibition, and sponsored Satellite Symposia, will perfectly complement the scientific content.

Finally, and certainly not least, may I thank all the Faculty for the exceptional support to the next groundbreaking meeting. The results I have just outlined, together with the high number of scientific contributions could never come together without the kind of scientific support all the speakers will give. **I think we can agree that the next event will be a success for all involved.**

Dr Quirino Piacevoli

President

World Society of Intra Venous Anaesthesia

MESSAGE FROM THE ORGANISING CHAIRMAN

It is indeed my pleasure and privilege to welcome you to the 6th World Congress of Society of Intravenous Anaesthesia & Target Controlled Infusion 2018 (SIVA-TCI 2018), which is to be held in Kuala Lumpur, Malaysia, from 15th August to 18th August 2018.

The World Society of Intravenous Anaesthesia has been recognised as a foremost organisation that is promoting TIVA and TCI throughout the world by partnering with the national anaesthetic societies from different regions in organising the congresses. We are pleased that the Malaysian Society of Anaesthesiologists has been chosen as the host for the 6th World Congress of SIVA-TCI 2018 with Kuala Lumpur as the venue.

This Congress is being organised in conjunction with the Annual Scientific Congress of the Malaysian Society of Anaesthesiologists and the College of Anaesthesiologists, Academy of Medicine of Malaysia, with the support of the Ministry of Health of Malaysia

The Organising Committee has spared no effort in bringing together well renowned experts from all parts of the world to share their experience and expertise, and also to train novices and experienced practitioners of TIVA and TCI in the pre-congress workshops that have been arranged. The academic and practical aspects of the TIVA and TCI will attract a large number of participants from various parts of the world and locally. The industry participants have also prepared a wide range of products highlighting the latest in technology and devices for TIVA, TCI and for anaesthesia in general, in the large exhibition area of the largest Convention Centre in Kuala Lumpur.

Malaysia is well known for its hospitable and friendly people, and the participants and visitors to this Congress can expect to be feted in the rich multicultural and multi-culinary celebrations that have been prepared for them. The accompanying persons have not been forgotten. Various tours and social programmes have been planned for them as well.

In addition, there are also pre and post Congress tours that can be taken to the different parts of Malaysia, which is truly a microcosm of Asia. The Organising Committee is looking forward to seeing you in Kuala Lumpur in August 2018.

Dr Mohamed Namazie Ibrahim

Organising Chairman

6th World Congress of SIVA-TCI 2018

Chairman

Malaysian Society of Anaesthesiologists

MESSAGE FROM THE ORGANISING PRESIDENT

On behalf of the Organising Committee, it gives us great honor and pleasure to welcome you to attend the 6th World Congress of SIVA-TCI 2018, which will take place at the award winning iconic Kuala Lumpur Convention Centre, Malaysia, from the 15th to 18th August 2018.

In this new age of scientific and technological advancements, the field of Anaesthesiology is also rapidly evolving, and to keep abreast, the theme for this Congress is aptly titled “Journey to the Future.” The Congress has been designed to provide a crucial opportunity for clinicians, researchers and scientists to discover new technology and safer techniques in intravenous anaesthesia and target controlled infusion in areas of general anaesthesiology, intensive care, perioperative medicine and pain medicine.

With projected attendance of over 1,000 delegates and more than 100 exhibitors to the Congress, there is no better place to be than at the World Congress of SIVA-TCI for delegates and exhibitors to explore and share their experiences and innovations specifically in total intravenous anaesthesia and target controlled infusion.

An interactive scientific programme of the highest standards and featuring internationally distinguished anaesthesiologists, researchers and scientists is planned with many confirming to join the distinguished faculty. The Organising Committee will strive to provide the best platform for all delegates and exhibitors to ensure ample clinical interaction and networking opportunities. SIVA-TCI 2018 aims to improve the standard of care for Total Intravenous Anaesthesia and Target Controlled Infusion Practices in all corners of the globe.

Beyond the capital city of Kuala Lumpur, there is so much more of Malaysia to explore, from the warmth of its people to the beautiful pristine island resorts and magical rainforests and two UNESCO World Heritage cities that are sure to capture your imagination and leave you with plenty of memories and long lasting friendship that will go beyond the duration of the Congress. Apart from its many sights and attractions, do not forget Malaysia’s reputation for its gastronomical delights ranging from five-star cuisines to fascinating street hawker fares that is representative of its “Malaysia, Truly Asia” tagline.

We have a great team working to make this a truly memorable Congress, and we look forward to personally welcoming you to Malaysia.

SELAMAT DATANG, WELCOME TO MALAYSIA.

MESSAGE FROM THE SCIENTIFIC COMMITTEE CHAIRPERSON

Greetings,

It is a great pleasure and honour to welcome all of you to this event which will be held in Kuala Lumpur. The programme kicks off on Wednesday 15th August 2018 with the pre-congress workshops comprising of a few TIVA-TCI workshops and other fields, including ventilation, advanced monitoring and regional anaesthesia. Following that, the main congress will take place for the next three days in Kuala Lumpur Convention Centre. As this event incorporates the Annual Scientific Congress of the Malaysian Society of Anaesthesiologists and the College of Anaesthesiologists, Academy of Medicine of Malaysia, the topics in the 21 symposia will not only cover intravenous anaesthesia but also a variety of topics within anaesthesiology, critical care and pain medicine.

The Scientific Committee team has strived to put together a programme which we hope will enlighten the delegates from matters as tiny as the drug molecules to the large issues like patient care. Apart from the talks, you will also have a chance to interact with some of the distinguished and renowned speakers during the Meet-the-Expert session.

We are looking forward to meeting you at this Congress.

CALL FOR PAPERS / SCIENTIFIC PRESENTATIONS

The Scientific Committee welcomes the submission of free communication abstracts for presentation at the 6th World Congress of SIVA-TCI 2018 incorporating the Annual Scientific Congress (ASC) of the Malaysian Society of Anaesthesiologists (MSA) and the College of Anaesthesiologists, Academy of Medicine of Malaysia.

Free communications will be presented in one of the following formats:

- (a) Oral (for MSA-AZ Young Investigator Award, MSA Award and MSA International Award)
- (b) e-Poster (for all other scientific communications)

GUIDELINES FOR SUBMISSION OF ABSTRACTS

- ❖ Abstracts are to be submitted in English.
- ❖ Organise the abstract under the headings: Title, Researchers (underline the Principal Investigator), Institution, Background, Objectives, Methods, Results and Conclusions.
- ❖ Abstracts of case reports will have the heading 'Report' instead of 'Objectives', 'Methods' and 'Results'.
- ❖ Abstracts must be accompanied by payment of registration fees. If the abstract is subsequently not accepted for presentation, the registration fee will be refunded to the author in accordance with the cancellation policy.
- ❖ Scheduling details and guidelines for the final preparation of accepted presentations will be included with the notification of acceptance.
- ❖ Authors who have applied to compete in the MSA-AZ Young Investigator Award or MSA Award and whose abstracts are not selected, can opt for the poster presentation if they so wish.
- ❖ The final selection will be under the responsibility of the Scientific Committee.

Following acceptance, all submissions of abstract for research or study (excluding case reports/case series and health system audits) should be accompanied by your organisation's ethics committee approval letter.

The closing date for receipt of abstracts is **15th April 2018**

THE AWARDS

The Scientific Committee will review each submission and select several of them to be presented in either the oral or poster format. The number for oral presentations will vary according to the quality of overall submission. The number of shortlisted poster presentations usually varies between 10 and 15.

MSA-AZ YOUNG INVESTIGATOR AWARD

The MSA and AstraZeneca Sdn Bhd are proud to announce the Young Investigator Award for original work in the fields of Anaesthesiology, Intensive Care and Pain Medicine. The award is given in recognition of outstanding original work and consists of an honorarium of RM3,000 and a certificate of merit. This competition is open to Malaysians below the age of 40 as of 1st January 2018.

MSA AWARD

The MSA initiated this award to encourage medical investigators in the country to participate in the proceedings of the Annual Scientific Congress. The MSA recognises the importance of research in the advancement of the discipline and supports efforts to develop this activity. This award is given to the researcher who has shown great achievement in research and consists of an honorarium of RM3,000 and a certificate of merit. This competition is open to all Malaysian medical practitioners. There is no age limit.

MSA INTERNATIONAL AWARD

MSA is honoured to present this award to a non-Malaysian delegate who has displayed excellent accomplishment in his or her original study in the fields of Anaesthesiology, Intensive Care and Pain Medicine. This award is given to the researcher who has shown great achievement in research and consists of an honorarium of USD500 and a certificate of merit. There is no age limit for this award.

There may be instances whereby one or more of the above award will not be given out if the stated criteria have not been met.

E-POSTER PRESENTATION

The awards for Best Poster Presentations are:

Three for research/study/audit:

- 1st Prize – RM1,000
- 2nd Prize – RM750
- 3rd Prize – RM500

One for case report/case series: RM1,000

The closing date for receipt of abstracts is **15th April 2018**.

ABOUT MALAYSIA

Malaysia, a land of ready smiles and incredible contrasts, gives the visitor a rich diversity of experiences. A charming, fascinating land of warm, friendly people, here you get a taste of all of Asia in a single destination. The country's social, political and economic stability have ensured a well structured development. Malaysia today is a cosmopolitan, progressive nation of great opportunity which has managed to retain its rich heritage of culture and traditions despite modernisation.

Geographically, Malaysia is divided into thirteen states and three federal territories, separated by the South China Sea with eleven states and two federal territories (Kuala Lumpur and Putrajaya) in Peninsular Malaysia and two states and one federal territory (Labuan) in East Malaysia.

In Malaysia, you can choose to city-hop to experience the incredible variety of shopping opportunities, entertainment and accommodation or lie back blissfully on white sandy beaches as you gaze upon the rustic charms of the countryside. Or take an eco-holiday and climb Mount Kinabalu, one of the region's highest mountains, visit the orang-utans in Sepilok, or go diving in Sipadan. Malaysia has something for everyone, the historian, the businessman, the eco-tourist, city-hopper or beachcomber.

Kuala Lumpur is the capital of Malaysia and the main gateway to the rest of the country. This "Garden City of Lights" is the home of the spectacular Petronas Twin Towers - one of the tallest buildings in the world. Within her boundaries, varied and interesting architectural styles of the old and new can be found. Her many attractions amidst her tree lined city streets include a bustling Chinatown, magnificent colonial buildings, beautiful temples and mosques, parks, gardens and lakes. Kuala Lumpur also offers a sophisticated and pulsating night scene from her fine arts theatre shows and classical symphony performances of Asia's foremost orchestra to her dazzling array of pubs, latest dance clubs and discos.

GET READY TO EXPERIENCE MALAYSIA!

ONE-DAY / HALF-DAY TOURS

CITY TOUR

A must for first time visitors to Kuala Lumpur. An interesting tour which unveils the beauty and charm of the old and new Kuala Lumpur. See the contrast of the magnificent skyscrapers and the building of the colonial days.

COUNTRY TOUR

A trip to the outskirts along the 'Ambassador Row'. Our first stop at the Royal Selangor Pewter will feature the largest and most modern pewter factory in the world, reputed internationally for its high quality and craftsmanship. You will be shown the different processes, such as casting, filing, polishing, soldering, hammering and engraving during this factory tour.

MALAYSIA'S CULTURAL NIGHT

'A potpourri of Malaysian Cultures'

This evening tour takes you to the open air bazaar of Chinatown, a Hindu temple and a sumptuous Malay cuisine accompanied with a cultural show. SRI MAHA MARIAMMAN TEMPLE – The smell of burning jasmine, incessant chantings of Hindu priests, intricate carved deities and the mystical aura combine to give you lasting impression of this religion.

GENTING HIGHLAND TOUR

Amidst the freshness of cool, crisp mountain air about 6,000 feet above sea level, lies Malaysia's only casino resort. Stop at cable car station and take a skyway cable car ride, with a sky above you and a tropical rainforest below, ride up to the hilltop on the longest and fastest cable car in Southeast Asia. Fringed by one of the oldest tropical jungles in the world, you can try your luck at Blackjack, Keno, Roulette or a host of other casino games.
