About travel arrangements I would like to empathize what our bylaw states:

The World Society of Intravenous Anaesthesia is a not profit, charity organization and a ONG, that means that every speakers must use the most economic flight in coach class.

We would be delighted to take care of your to and from travel to Kuala Lumpur. In case you wish, you could send us your travel itinerary and we will book your tickets and send you the same. Please note that you have to book ticket as per your commitment before **30th of June**, though our travel agent. Later you have to book ticket by yourselves and World SIVA will reimburse it to max. economy class fare. Kindly call onMrs Santhi, or can write on secretariat@worldsiva-tci2018.com.

No other expenses can be done for wife or for special requests, if not approved before.

This is important because I will be under the control of the Board of International Account.

Thank you very much in advance for your support
